REMARKS

25X1

1. The barracks on Kopernikusstrasse, Rostock, were occupied to capacity by VP personnel in late April 1950. 25X1
tank training was held in the billeting area.

25X1

- 25X1B 2. One tank chassis with four VP men riding it was seen in the barracks area. It was allegedly used for training purposes. * Passenger cars 25X1 were identified in the barracks yard. **

- 25X1A * 25X1A Comment. It is believed from previous reports that the barracks on Kopernikusstrasse is housing a VP school and the 2d VP Bereitschaft (infantry) of the Bereitschaftspolizei 25X1A Tank training may be conducted by the 10th Special Co of the VP school.

25X1A

- 25X1A ** 25X1A Comment. 25X1A belong to 25X1 the Mecklenburg Landespolizei rather than to the Bereitschaftspolizei.
